**PARKING FOR STUDE CONCERT HALL**

The parking lot for Rice University's Stude Concert Hall in Alice Pratt Brown Hall is closed due to construction of the new Rice music and performing arts center. For the Inprint readings at Stude Concert Hall this season, please use West Lot 2 or the Rice Central Campus Garage, which is underneath the Jones School of Business. The easiest way to access West Lot 2 is to enter the campus from Entrance #18 off Rice Boulevard and then turn right at the parking gates to West Lot 2. To access the underground Central Campus Garage, use Entrance #20 and turn right at the Jones Business School building onto a one-way street; the parking entrance is on the left. You must use the same credit card to enter and exit either parking location.
